Our team is comprised of talented enthusiasts, stock traders, who have come together to form a company to build a valuable portfolio that delivers
profitable trading across digital currency exchange.

Thanks to many years of professional experience in this field (10 years or more), as well as partnerships with trusted companies around the world, we have achieved excellent results in the trading of Popular currencies like Bitcoin, Ethereum, Monero, Ripple and many more. On average, 9 out of 10 trades succeed, while our top traders have a 93% success rate.

We aim for a long-term partnership, increasing the number of collaborators and expanding our circle of investors and partners, which will enable us to build the future we dream of , a promising future, prosperity and financial independence for all who work with us and share our goals.

The passion of phantomfinance is to work hard and deliver great results. We are a listed blockchain technology company focused on trading large cryptocurrencies, stocks and bonds.

AlphaTradez also deals with Gold Mining and Real Estate Management.

Join us to invest in the future of money.
